

Food Safety and Environmental Hygiene

Basic Course

Objective:

To impart basic understanding of food safety and environmental hygiene to food industry practitioners in order to reduce the risk of foodborne illness outbreaks.

Target Group:

Practitioners in the catering industry of Macao, who engage in takeaway and dine-in service, food production and operation, as well as supplying meals service to associations.

Course Content:

-  1. Food Safety Law, food safety standards and guidelines
-  2. Food hygiene practices
-  3. Food safety and personal hygiene
-  4. Rodent prevention and environmental hygiene

Date and Time:

The last Thursday of each month, from 3:00 p.m. to 5:00 p.m.

Venue:

The multifunction room in the Trade Zone of the Department of Food Safety of the Municipal Affairs Bureau (IAM), located on the 1st floor of Iao Hon Hawkers' Building, Macao

Enquiry and Enrolment:

The course is free of charge, and participants are provided with course materials. A certificate is issued to anyone who has completed the course. The enrolment form can be downloaded from the "Food Safety Education & Training" section of the "Food Safety Information" website (www.foodsafety.gov.mo). Fill in the enrolment form and fax it to 8296 1234, or call 8296 1242 or 8296 1231 during office hours for enquiry.
